### The Premises:

Well looked after, still looks quite new, just a shame the shower is not in the room.

### The Lady:

Anna is stunning. Some will know and admire her as a redhead from another place but now she is blonde over brunette. If you saw her walking down the street, you could not possibly believe your luck or fail to follow her when she turned into Garden of Eden. Anna is very pretty, slim but with marvellous shapely breasts.

### The Story:

Anna is generally quiet but there are subtle little signs of her engagement in what is going on and they have a really positive effect. She is worth treating well to draw her trust as she is herself such a treat to be involved with.

I went for reverse massage and reverse oral this time and loved every moment. Then the sex was energetic and a great experience.
