The Story:

Nina was delightfull company from start to finish. Did a very sexy strip off of her red lingerie and joined me in the jacuzzi to tantalise and caress me in equal measure and generally arouse me in a most seductive manner. Did a very thorough job ensuing that my cock and balls were well washed. Nina then dried me off and we retired to the bed for an excellent oily massage, again paying plenty of attention to my ever stiffening cock, and balls. Asked would i like a 69, how could I refuse this opportunity to sample her delights and view that perfect derierre at close quarters. This led to sex with Nina on top, which was excellent.
