The Premises:

Safe umparket block of flats. Bedroom fit for purpose. The lack of fresh clean towels knocks of marks.

The Lady:

Very attractive, even without the lashes of makeup in her pictures. B cup breasts. She however is not 23 as stated on the website, but a few years older.

The Story:

Her command of the English language is basic, however with some effort on both parts we managed to communicate.

Lots of kissing (No tongue) really good BBBJ to completion (Spits out) good muscle control and technique in various positions. Nice GFE style cuddles between rounds.

My only complaint is that her oral and vaginal cleanliness was poor. Will re-visit and brief the AGY to ensure she invests in some mouthwash and feminine shower gel.
