The Premises:

A clean and tidy flat in one of those large white houses that abound in that part of London. Very discrete and just a short walk from the tube station.

The Lady:

Medium height with long black hair, a slender figure but nicely proportioned breasts with beautiful nipples. Sabina has dark, very sexy, eyes that are irresistible.

The Story:

An excellent punt, just what was needed to relax on a Friday evening after a long day. Sabina was very charming and our chatting soon turned to passionate kissing on the bed. I soon discovered that Sabina is the princess of BJ's - her style is long, slow and deep, just how I like it. Having brought me to the brink several times it was on with the protection and an energetic ride to the finish. After that I didn't think I was likely to be able to manage a second round but her oral techniques were more than enough to do the job. Thanks Sabina for a great evening. I'll definitely be back.
