The Premises:

Nice apartment in a mews right across the street from Paddington, discrete entrance - single bed! very small bathroom (show me an apartment in London that doesn't squeeze a bath under the stairs!! Small towel provided.

The Lady:

Good looking young woman, not an ounce of fat on her, definitely her in the pictures. If you are a tit man - don't bother - my nipples were bigger than hers!

The Story:

I'm not sure I was Leonora's type - and I think I unnerved her a little - she definitely wasn't enjoying my company despite my witty repartee! I won't go into any details as there wasn't much action - little or no response from her either proactively or reactively. I managed to keep enough interest to stay the hour - but could tell very quickly it wasn't going to be one of my best experiences. I'll be kind to Leonora though - she didn't like me and appeared to be very tired .. I won't be returning.
