The Story:

Very friendly girl, greeted me in the sexy outfit, offered soft drink.

Once into the swing of things, she was fantastic. Massage was great. Soft warm hands slowly working their way down from my shoulders to the important parts. Wonderful lips for kissing, the best pair of tits you could hope for. Excellent deep BJ, good technique soon forced me to suggest I return the compliment before she made me come. Nice pussy soon became wet, seemed to make all the right motions and noises and certainly convinced me she reached a climax. More cuddling and then on to the main course with her on top. I suggested she lies flat so that we could cuddle nice and slow whilst I massaged her back and bum, it was a terrific long slow screw, until we could both take no more and I pumped myself dry.

If you want a good session with a friendly girl who really cares about you enjoying it, this is the one.
