The Story:

When she first arrived i thought that the appointment would not be that great because she looked very innocent, with those big eyes looking up at me through her fringe. But i freely admit i was completly wrong, she was incredible. Very very good at her job, and either she enjoys it or is a very good actress. Amalie can get into some of the most incredible positions she is a far cry from the ' get on top and get on with it crowd'Great OWO with CIM although apparently that was entirly down to her discretion and i had just got out of the bath when she arrived, so take my advice and make sure your really clean and you will be rewarded. She was also very discreet when she arrived, called me as soon as the agency asked her to and was on time. Now if only all girls were like that. I have already booked her for pay day.
