The Premises:

Nice private house in a quiet residential area not far from Kettering town centre - plenty of safe parking in nearby streets.

The Lady:

Alex looks fab on her website pictures and is even better in the flesh. Absolutely lovely and what is more an equally lovely personality as well.

The Story:

This was a truly excellent couple of hours in the quite charming company of Alex. Had a feeling it would be good when I spoke to her to make the appointment on the phone. Very welcoming young lady and intelligent as well - chatty but in an interesting as opposed to inane manner, someone with whom its nice to have a good conversation with as well as the physical side, she'd make no doubt a fantastic dinner date on an outcall appointment. As for the physical side? well it would be rude to go into detail suffice to say it was exceptionally enjoyable - hopefully for both parties.

I look foward to enjoying Alex's company again within the next couple of months.
