The Story:

I had a wonderful time. I know its a cliché but her pictures don't do justice to reality. What can I say but wow! what an incredible body. To Pru can I say Thank you, thank you, thank you, you have made a sad old pervert very happy. I can only apologise that my inadequate anatomy was not up to the task. I have to award her 11 out of 10 for enthusiasm and perseverance, she certainly earned her fee and I feel I short changed her, especially considering how long we overran.

What an incredible experience, what a sexy body and she certainly knows how to use it, but what a fantastic personality as well, so warm open and friendly she really made me feel welcome. I really got the feeling she enjoys her work even when faced with such unpromising material as myself. I hope to see her again as soon as possible. I can fully and whole heartedly recommend Pru and endorse all the compliments the many other punters have given her. Its easy to see why she is so popular.
