Lovely lady very very sexy early 20's slim great little breasts!

The Story:

I had the choice of 7 girls all very nice , but having read good reports about Shannon i thought that it might be a good idea to give her a try.

She insited that she washed first , which was really hot! to watch then onto a wonderfull massage in which she used her nipples as well as her hands. Went on to BJ (covered) but very very good!!

Returned the favour , and what a sweet tasting pussy!!! got to try it guys.

The rest was really special and will stay between Shannon and myself as we did something that was new to me.

This lady is so accomidating and nothing is to much trouble , makes you feel relaxed, but not that relaxed!!

One of the best punts i have had the reports i read before were "bang on"!

This is a great site and thanks to all you guys for the info.
