The Story:

Dana recognises me now after 3 visits and gets straight down to action. I usually ask her to wear the slutty black top with her tits poking out and last time we went she had my cock in her mouth within 20 seconds.

Dana is highly accomodaing and as she usually has a good shower/douche before I visit I dont mind the alternating anal pussy anal pussy routine which seems to really turn her on.

She knew just when the hot sperm gargle was coming and helped whip off the rubber to take a full load which I had been saving since Becky at Cheap & Chic downed the last lot. Nicely swallowed on request.

Dana is built for sex and whilst the experience is total PSE we have a good raport because her english is good unlike recently reported Mia where a mouthful beats talking every time.
