The Lady:

The photos very accurately reflect Marta (what a pleasant change eh?). She is 5'6, mid twenties with a tiny waist and big boobs. Pretty, soft skinned with luscious lips.

The Story:

I saw Marta a few months back but didn't post a report then she went offline. Seeing she was back and wanting to actually *enjoy* my experience for once, i thought i'd go for a revisit. Marta is very welcoming, soft and gentle. No PSE here, but great uncovered BJ that takes you right to the edge and then two rounds of luscious sex. Having her with her legs wrapped around me and those tits pressed against me as I came was quite an experience. Those tits are beautiful by the way - she had them reduced a few years back so there is ever such a slight scar but consequently they are perfect shaped. Highly recommended.
