The Lady:

just my type, exactly as described on the phone, an absolutely gorgeous busty but slim and curvy in the right places brunette, jet black hair down to her waist and the most fantastic come to bed eyes i have ever seen

The Story:

natalie greeted me with a friendly hand shake and kiss, after 5 mins of a lovely massage she turned me over and rubbed her 36ee,s all over me, then she gave me one hell of a suck (it took a lot to stop myself exploding) then she played with her sweet little clit while i watched, then she made me do her hard from behind and boy she can take it, i even believed her when she said i,d made her cum
