### The Premises:

Indian Palace - well described in previous reports. I like it - clean and discreet. Also like the fact that you pay for time rather than service. Always far more relaxing that way.

### The Lady:

Jada is a british girl of Indian origin (Indian punjabi). For some reason was expecting good body but not great face but Jada is also facially good looking with nice eyes, fair skinned, nice body, soft skin, long thick hair, good arse and a great pair. Age - I'd say early to mid twenties. Certainly no complaints - in fact of the girls I've visited at Indian Palace (and I've seen 6 though some of them have moved on) I'd say she's the best looking.

### The Story:

I was in 2 minds as one of Jada's previous FRs was negative so it suggested she was a "go through the motions" type. Thought I'd go and see for myself but thought if she doesn't look stunning will not bother. Once I saw her decided to stay put!!!

A very pleasant experience, Jada seems a very pleasant girl who enjoys her job. Started with her dressed in an Indian outfit and we had much fun messing and stroking and fondling around, could feel her getting moist but unfortunately she doesn't allow fingering. a nice blow job followed by missionary, doggy, more missionary and ended with an oily hand job. Highlight was doggy with Jada looking over her shoulders while I was thrusting away.

Its a shame she does not do kissing as she'd be perfect for a GFE (in fact I wouldn't mind a girlfriend like that!!!!).

Time seemed to go too quickly and left with a smile and spring in my step - definitely a good sign. There are so many girls out there but I'll certainly see jada again.
