### The Premises:

nice basement flat

### The Lady:

sweet looking with long blonde hair in a ponytail and great tits.. really soft and (my) hand sized. Pretty face and is just as per the pictures, though submissive rather than stern as she looks.

### The Story:

Not much english but was just there to give my trademark hot sperm gargle. Mia is quite submissive and though the agency told me she doesnt swallow, when she had a mouth full and I said "swallow it please"...she did.

Highly recommended particularly because as previously reported she doesnt gag even when a full length is administered up to the hilt.

..back again.? yes by the time you read this as it happens.
