The Premises:

Nice flat, clean & tidy.

The Lady:

Charlize was about 5,9 with long blonde hair, also with a lovely figure.

The Story:

Firstly I would like to say what a help the lady on the phone was because I got totally lost trying to find the place. But she just stayed on the phone helping me with the directions.

So I got in the room and was told that Charlize was on her way in. When Charlize entered she told me that everything was on offer apart from anal, so that suited me fine.

Firstly we got on with a bit of kissing, then she gave me OWO which was great. I gave her some oral then we had sex in a couple of positions. Then I came all over her tits.

All in all I had a great punt and I hope to pop round there again sometime soon.

Charlize thank you.
