The Story:

When I arrived at her address in front of me stood sexy, leggy girl wearing expensive lingerie and stockings.The envelope was handed over and the mayhem began, Sasha immediately sank to her knees and and released my growing cock, she then enveloped it in her mouth;hungrily she ate me occasionally pulling me out and telling me in a very sexy accent that she wanted to taste me!At the same time she pulled up her dress and fingered her own pussy. Excellent BBBJ. I couldn't last any longer and emptied a load into her willing mouth.

Round 2 was with a lots of good kissing, BBBJ until it was time for the condom and sex with Sasha on top. She controlled the pace really well, leaning down to put her lovely nipples in my mouth to suck until I came hard inside her. No faults with her sexual performance - all services were delivered with a great degree of skill. Very entertaining evening.
