### The Story:

another good time at scorpios. i think it pays to read up although on this occasion visit was not planned and i never fancied the others. i asked to skip the massage and just have some cuddling to warm up. this brought on a true g/f experience with nice kisses and tongues , i proceeded to go down on her smooth great tasting pussy and give her no.1 orgasm. she then pushed me back to give me some bareback, however very minimum which i would have preferred more, on with the condom. i pretty much came soon cause i wanted 2 rounds. then lay back and talked with more kissing and very soon she was wanting me hard again, on with condom again and more oral to get me fully hard but she was a bit quick but it got there. into a 69 then gave her a taste of all my positions i could remember. haha. this was an excellent time with plenty of eye contact throughout, genuine time for me. more kissing and i rewarded her with 2 more orgasms. however much she tried i could not cum again but it real good trying. hehe

got to say i would def go back for her as the gfe makes a big difference ..
