The Premises:

I entered Bunnies via the rear entrance, the receptionist was very polite and the place was clean and tidy. I was shown 3 girls all very nice but picked Honey.

The Lady:

Honey was in her late 30's, dark hair, she has tatoos on her breat's as well as her arms and a few body piercings and clean shaven. she was medium build.

The Story:

honey was chatty and friendly and gave me a massage that was very enjoyable, she offered me a full range of services including anul, I opted an extra ???20 for kissing that was a real turn on and well worth it for the girlfriend experience. It didnt take me long to cum once Honey was on top of me. I have visited other places in the past but I must admit I will definitely be returning again to see her as she made me feel very good. I left via the back entrance with a glow about me.
