## The Story:

not long after mel walked in she said "youve payed for a hour. How many times do you want to make love to me?" what can i say i only wanted once but i wanted slow and sensual, i was not disapointed. i put myself in her hands and let her lead the way. i dont intend to share but i can say with hand on heart she is one in a million, and if you see one lady this year make it mel.
