The Premises:

Clean enough place, safe area and discrete (you enter through the back under covered stairs). She told me that it will soon be decorated as well.

The Lady:

26, size 10 figure, medium length blonde hair about 5foot 4 or 5. Body to die for, and what an arse!!

The Story:

Was shown in by a cheerful receptionist and then shown two girls. Tamzin was the one for me, but Louise (I think it was) looked good. In the room, she was cheery and talkative, with none of the 'I'm not really interested' babble you usually get. After a cracking oil masage, I was offered covered oral at 10 extra, which I took her up on, and boy was I glad I did!! Put it this way, she was more than worth it. After, we had doggie standing up and then on bed followed by the good old fassioned mish to finish off.

A truely awesome girl who clearly enjoys what she does and makes sure you enjoy doing her :p

Treat this girl with the respect she deserves and treats you.
