Very much as the photo's on the website - quite lovely. Fabulous body, incredible breasts.

The Story:

Have seen Carla quite a few time now, although this is my first report. Quite simply, this lady is in a class of her own. Fun, smart, sexy as hell, seemingly able to devine ones innermost sexual desires and a thoroughly nice person as well! An occasional punter she put me at ease right away.

Don't want to go into a blow by blow account, suffice to say that GFE probably decrides it best of all and the fact that everytime I see her Carla seems absolutely determined to make sure I have a great time. This lady goes the extra mile! Recommended.
