The Story:

Came for top notch tit job. Hanna Callow is a busty Score Magazine model. I figured she would be lax and let her big reputation carry her. Her tits are Fabulous. She knows how to use them. She gave me amazing OWO combined with boob massage that was top notch. Gotta give her a 10 out of 10 for simply the best breasts for a boob job you can get..I am very tempted to go back for a longer session with more sex as it seemed she was just getting started and loved sex. She is really friendly and immediatly puts you at ease. She has the whole package and is so sexy, the next time I book her I plan to do a lot more..
