### The Premises:

Silks is a very discreet and smart parlour located just off London Road down a short alleyway and is in a very safe area with good free parking. The room has a very comfortable high bed with low lighting and en suite shower plus video.

### The Lady:

Emma has the body of an athlete, she visits the gym frequently and it shows. From the blonde highlights in her hair to her fully shaven pussy with clit ring she is perfect.

### The Story:

After a shower Emma came into the room wearing a sexy black basque and a tiny thong and it was like your nymphomaniac girlfriend had not seen you for a very long time, she was all over me with kisses and hugs pushing her gorgeous body against me. Then it was on to the bed on my back for a expert massage of my legs and bum with oil with some ball and cock tickling then she started to massage my back with the upper part of of her by now naked body which is an fantastic sensation believe me. Then on to some covered oral with me fingering the sweetest tightest wet pussy I have ever had the pleasure to touch she then got on top a rode me like a cowgirl facing me after that she finished me off by hand over her lovely tits. When we finished Emma stood next to the bed stroking my legs and I could not believe my luck that I could just look at her naked body while talking to her. I have had sex with wives and girlfriends in the past but this was by far the best sex I have ever had and I would recommend Emma to anyone - just hold on tight for the ride of your life.
