### The Premises:

Close to Earl's Court tube (Earl's Court Road end). Good area, nice enough flat.

### The Lady:

Very busty, sweet-smelling, pretty, friendly, well-built (not tubby or even chubby, but not thin) girl.

### The Story:

What a lovely girl. I've visited some of the more mature London ladies (Ailsa, BBW Louise, etc) in the past, and very enjoyable my visits have been, but this time I went for a younger lady (OK a girl), and what a result. Lucy is someone I could fall in love with. Very friendly and obliging, quite good English (with a heavy accent -she's from Siberia), we snogged for a while, then both stripped off and I kissed and licked her fantastic body all over, and then we 69'ed and I shot (uncovered) into her mouth. She disappeared to spit out my cum, then cleaned me up and made me a cup of tea while we had a chat. An absolute delight!
