The Premises:

The Directors Lodge, is a friendly, clean, welcoming place, with a great feel and atmosphere, calm and cosy.

The Lady:

Wonderfully tall, slim, peachy bottom, tanned, legs that went on for miles. Intelligent, caring, vivacious and honest a real treat to be with.

The Story:

Dressed in skin tight blue with enough peep holes to know what was on offer, she massaged my back my balls and did so for an age, great touch, left me rock hard and wanting to take things nice and slow, which we did.

Reversed this, stripped, great G-string, massaged her from head to toe, she laid back and enjoyed herself, maybe not as much as I did though I live in hope, but what a great way to spend time with Kelly. She appreciated a good massage and took it all really nice easy and slow. Onto her front, continued with massage, all over nice and gentle, we kissed, she gave great oral, whilst all the time touching and caressing each other. Slowly but surely into a wonderfully rhythmic and lovely journey, making me come so hard my toes curled.

She is one very attractive lady, one very special person, and one who deserves to be treated kindly and with respect, I for one enjoyed my time with her and look forward to the next.
