The Story:

This is by far the worse punt I have had, even worse than Sandra of Birmingham. The girl looks good, smiles at the door but once the money exchanged hands everything that followed was real pro. Her bbbj was very brief and she only licked the head of my old fellow.

When I can about to cum, she pulled me out and gave me a hand job!

Round two was a non event. I tried to go down on her but either she had not washed since her last punt or her personal health regime sucks! She smelt quite bad.

All in all a bad experience. A good looking girl that has probably been a pro for some time. One thing I did find out is she is not from Czech but from Lithuania!
