The Premises:

Clean house but not big enough to hold this parties

The Lady:

7 girls. 2 quite attractive, the rest average or not of my liking

The Story:

12-18 single/couple ladies promised, 7 present

ratio about 5:1

5 hours partying promised, about 3:1/2 of action

First hour was spent with the guys waiting around just avoiding eye contact and the girls sitting together in one corner, when the action started there was a bit of a rush not to be left out. This party is for those who don't mind musling in for the girls and probably just want to watch. Some of the girls spent more time having a fag than having a shag. After the initial hour spent just sitting, the party finished 30 min earlier, not the 5hr stated.
