The Lady:

Tall mature blonde mature lady (early 40s), great figure with legs that seem to go on for ever. Photo's on site do not do her justice.

The Story:

Warmly greeted at door, Chanel wearing a very sexy back number with stockings, a lovely cuddle and passionate kiss. Put's you at ease straight away. Paperwork sought out over coffee and a chat. Then on to the main business which covered most items. Exhausted and relaxed, another coffee and a chat. No rush here gents.

If you want a true GFE with an experience lady, I cannot recommend her highly enough. Respect her and enjoy.
