The Lady:

"Slim and busty" was Jada's description and slim and busty she certainly is, although she has the ridiculous idea that she's overweight. In fact Jada seems very concerned about her weight. I am here to tell you, Jada, that you have a great body, a superb butt and a magnificent natural pair. You are definately not overweight!

The Story:

I had tried to see Jada a couple of times but she was always booked up until early evening but this time I was lucky. She came in wearing a very sexy red skirt, top and holdups. She underdressed as I lay on the bed then started with a massage and moved on to oral. Decided on cowgirl first. I usually manage three or four positions but couldn't last long this time with her beautiful breasts bouncing up and down right in front of my face. A very enjoyable 45 minutes with a very articulate, intellegent, and extremely sexy young lady. Enough said!
