### The Premises:

Usual escort digs london escort digs

### The Lady:

Pretty enough but the photos on the website are definitely airbrushed looks less attractive in flesh but she's quite tall and has a beautiful figure.

### The Story:

WAs dissapointed when i saw her but she looked good enough her english is almost non existent so be warned,oral was just the tip of my dck,sex was just crap compared to other escorts but i guess il have to giveher a break as its her 2nd week and she's really young and seemed naive,was nice enough though and real sweet tried her best so im guessing with time she'll get better. Has a beautiful body so ill recomend her on the basis of her body and personality.
