The Premises:

Silks was as usual smart, clean, discreet and welcoming.

The Lady:

Kirsty is mid twenties and very fit looking with dark hair tied back with a wonderful pair of boobs 36c maybe. She has fantastic nipples that become very hard and erect when stoked and has a very tasty unshaved pussy (mmmm nice)

The Story:

I was the first customer of the day and we both took our time to get going but the highlight for me was going down on that hairy pussy sucking her clit and putting my tongue inside her which turned her on just as much as it did me.

Kirsty then lay on her back and I fingered her as she played with me till she came and boy she came no fakes here I then came all over those gorgeous tits.
