The Premises:

Cosy yet anonymous apartment in Guildford. Easy parking nearby.

The Lady:

Pearl is older, tall, with firm bum and breasts, topped by neat little pink nipples. She looks quite fit - nothing saggy or flabby.

The Story:

After a quick chat and a cuppa we moved to the bedroom where Pearl gave me a nice massage, then she flipped me over and we moved through oral both ways to cowgirl then doggy. All the time Pearl was encouraging me and making sure I got a good view of the proceedings via the large mirror she has on one wall. No hurry. I had the slowest deepest doggy ever, savoring every stroke, before I came.

A bit more chat and then had to go, but I will return.

Pearl only sees men over 40, and she has an unshaven pussy - which I particularly like.
