### The Premises:

The flat was a top floor one. Easy to find. Clean and tidy. Area id nice and safe and close to town centre

### The Lady:

Bout 30 years old I think with a body to die for. Nice smiley face with long curly hair. 32D boobs (i think) enhanced but fantastic with huge nipples. Flat suntanned belly with a cute little bum (size 8) And the real bonus was that she was wearing the white bra and pants with a red ribbon which you see on her website - Result !!

### The Story:

Started off with baby lotion rubbed expertly all over my back, shoulders, legs and feet (she said I had small feet .... normally gals say I've got a small knob lol). Then over onto my back and on with the condom for some 69. She has a bald beaver which tastes soooooo sweet. I think she came as she sucked me to within an inch of cumming. Then she climbed ontop so I could hold her boobs as she rode me before I finished off doggy with a view of that cute bum. I've been to many working girls but this was certainly the best. Unhurried, a true professional !!
