The Premises:

Very safe area, 15 minutes walk from Old Street tube station. Nice ground floor apartment in a converted industrial/warehouse building.

The Lady:

"Black and Busty" does Pru an injustice. It ought to be "black and busty and sexy and really welcoming and great to be with and makes a bloke feel fantastic etc etc". She's all of those things and a bit more. Pru has great presence, knows how to have an interesting conversation and puts one at ease straight away. She has a magnificent pair of breasts which are warm and welcoming - as is the rest of her comely body - her rear end also very fetching.

The Story:

Although Pru was a bit late in arriving (a broken down bus somewhere en route) she soon slipped into something flimsy, sexy and white and joined me on the sofa. We were soon undressed and taking advantage of each other's charms. Her suggestion that we take a shower together was perfect and I can still feel her soaped-up breasts pushing against me. The hour was soon spent - although Pru is no clock watcher - and I really enjoyed myself. I look forward to our next meeting.
