The Premises:

This place has been around for a few years now , safe enough, although access is between a bakers and a chip shop

The Lady:

Apparantly this was nicoles first day , a stunning east european girl with a body to die for tall very slim , without doubt the best tits i have seen in an age , a bit shy and obviously new to the game, even so she pressed all the right buttons , not the best performance , but worth the money being such a looker

The Story:

will definatley be back
