The Story:

I've seen Amber a few times now and built up a fairly good [I hope] relationship.

As on previous visits [after the 1st one] we didn't worry about the money but she immediately started rubbing my cock through my jeans. What followed was a 45 minute period of fantastic BBJ, licking, sucking and fucking with virtually no holds barred [she doesn't do anal but the odd finger is ok]..lots of rimming, toys, 69 etc.

On this occasion we actually got to the main event and fucked althouhg previous visits have resulted in me cumming on her face or in her mouth. She confessed to enjoying being tied up so that's got to be something for another visit!!!

A truly fantastic girl at a great establishment!
