The Premises:

Clean private flat over a shop with a discreet entrance. Area was a business type of area about 5 minutes from the M1 motorway & Meadowhall.

The Lady:

A beautiful lady in her mid twenties with long brunette/blonde streaked hair. Quite petite but very busty. A stunning smile.

The Story:

Melissa gave me a great massage to start with and carried on a conversation all the way through, there was no rushing. She asked me if I'd like oral and then proceeded to show she's not just beautiful but very, very good at her job. We switched to sex and it was wonderful, just like her massage Melissa has great skill and doesn't rush at all. I'll certainly be stopping off at junc. 33 on my way home much more frequently. Thanks for a great time Melissa!
