### The Premises:

was very clean and tidy, parked in rear carpark very safe.

### The Lady:

very sexy curvy blonde, long hair, sexy undies.

### The Story:

lisa came into room and stripped off her undies and joined me on the bed, she then proceeded to softly touch me all over my back then she moved to my balls, the touch had me tingling, shortly after i was so hard i turned over, lisa lay at side of me with her legs wide open and told me to play around, she rubbed over my front and then she asked if i wanted owo so i said yes and she said ok i asked if i could have it in 69 position she asked me to move down. then she started to suck my cock so slow with plenty of tongue movements. i sucked on her pussy but she was getting me close so i asked if i could get her on top of me she did this with pleasure. as she started to move i sucked on her breasts and could tell she loved it. next thing i knew i squirted my load deep inside her. wow shes good. will be back soon.
