The Premises:

The place is a basement flat near Marylebone station. It was very clean and well maintained, conveneient yet quiet and discreet.

The Lady:

Savita's description is provided in the website and is quite accurate. She has the exotic east indian looks (mischievous eyes) and a very warm and pleasant smile.

The Story:

After getting undressed and sipping to a nice cup of english tea, was greeted by Savita. After the formalities, she returned, disrobed and was immediately captivated by her youthful appearance and that beautiful smile and mischievous looks. Initially we hugged each other and danced for a few seconds, to a bollywood tune. On to the bed, she got on top of me and went down from nipples to privates. She sucked on my nipples hard (told you she is wild). While she was doing it I was reaching for her pussy and tits, she doesn't like FIV though. I sucked on her titties, then tried FATY. She really loves it.

She put on a cover and gave mne a nice long CBJ (wished it would be BBBJ). We did some 69, I had a blast licking her pussy and rimming her. Then on to the main course, did it in miss and doggie. I couldn't quite cum (V factor and too much sex earlier). She removed the cover, applied some oil and gave me a HF while sat on me with her pussy over my face. It didn't take very long before I erupted. She cleaned me up, chatted a bit and left.
