Gina, the more mature of the 3 but equally lovely offering a real gfe even within the party as an alternative to the pse of the other 2

The Story:

First party so was very nervous but the guy on the phone sounded very reassuring and I was greeted by a hugs and kisses by all 3 girls when I arrived. Given a glass of wine and valuables locked away then Gina took me to shower and was given robe to wear. While the other men, about 8 in total, did same, I sat in the lounge and chatted which relaxed me. When everyone was ready, the girls led us to the rooms. Started off with a fantastic bj from Morgan while another man licked her pussy. After a while, I put on a rubber and rolled her over and had her doggy whilst she sucked another guy. After I had finished, I watched for a while then went back to the lounge. Hot food was laid on so I ate, had a couple of drinks, good chat . Seemed to be a mixture of first timers and regulars and everyone was very friendly and a good laugh. Over the course of the party, I managed to play with Gina and Tia as well and they were very different but equally good. Gina was gentle and very erotic whilst Tia was fast, frantic and very dirty. Never tried the swing but did watch Tia on it with 3 men playing with her, a very horny sight.

Anyone thinking about partying should give it a go. The girls are very enthusiastic and take the lead and you soon lose your nervousness around the other men. Made to feel very welcome and I will certainly be back.
