The Premises:

This place is a palace. Went to their o;d gaff ages ago and this is major step up. All rooms had jacuzzis, showers etc. The greeting was pleasant. Three girls available. One hardly spoke, the other (Liz) was pleasant (and stacked), and then Eve walked through - it had to be her

The Lady:

Very dark long hair. Stunning eyes, looks like Charlotte Church. All over tan from her recent trip to Egypt. Gorgeous!

The Story:

Now I am usually more into the more specialised type of punt like Angel (Toucan) or Kelly (Babes), but this was awesome. 20-25 minutes in the jacuzzi for some sexy chat and two pairs of roaming hands. My only experience of a GFE to date worth anything. I wont go into what we did since I am a gentleman (of sorts) but I was fully satisfied and will got back again. She is stunning, sexy, and very much of the 'girl next door' ilk. A wonderful hour!
