### The Story:

I got a discount on the usual price because of various problems when I tried to make an earlier booking. I was told Angelina was "stunning" - how right that was! Angelina told me that I was her first client after two years away from the business - all I can say is that she has returned to her true vocation. She was really easy to talk to, a great kisser, fantastic oral technique and certainly appears to enjoy what she does. In fact, one of the best I have ever been with and I almost didn't post this review as I would like to keep her to myself. Thanks very much Steve for the discount, I may well be calling again to see when Angelina is free.
