The Story:

Paid ?15 for a basic massage and shower. Amy came into the room and proceeded with a very sensual back massage. The usual teasing around the vital parts was superb. Amy really does know how to get you going. She then asked if i wanted anything else. You bet i did!! I asked what was available and she said i had to tell her what i fancied. I asked for oral and sex and paid the ?65 she asked for. She offered OWO which i jumped at and off she went. Fantastic blow job, at one stage i thought we weren't gonna make it to the sex! Amy is very responsive she doesn't mind being touched and i felt her go from dry to wet which suggests she was enjoying it as well. We then got into sex with me on top. Once again Amy appeared to be enjoying it but i couldn't hold on too long and when we started kissing (I mean really kissing) that was it. A fantastic time. Amy really does seem to enjoy her work and that always makes for a good time. Best GFE i have ever had.
