The Premises:

This place has been recently refurbished and is very nice inside. It used to be 'Sunspot' and then 'Studio Capri' to name but two former establishments. Still down a narrow corridor, but then opens tardis-like to a large reception/pool/bar area and the room that I saw was very clean and tidy with a shower in the room.

The Lady:

Small 30's probably A-cup blonde. A Stunner and full of fun!

The Story:

What a GREAT massage! One of the best in 20 years of punting. A proper massage! Then I repaid the favour and moved to reverse O during which she got very wet and then finished with hand relief. A lovely shower afterwards and then good conversation with Kim and Helen (the other girl working today). Diary note to go back soon on a Monday and have the two-girl service. Hope this place stays open for quite some time as it was warm & friendly and just lends itself to the possibility of parties in the future. Returning soon!
