The Lady:

Two hostess both in there prime get there soon guys as these two angels should not be missed one blonde and super sexy and one brunete and just plain naughty stunning ladies without question.

The Story:

All I can say is as a new guy to the party thing I was suffering very very much from nerves on entering the house but should have left the nerves in the car as a beer put in my hand by I believe Steve (a great guy and host) and a cuddle and kiss from Charlie a Blonde who makes your cares fly away put me to ease I must mention at this point a super lady whose name escaped me who attended with her partner Whowww is all I can say I have never seen a lady enjoy mens company with such a sense of mischief so much I hope to meet you at another party one day.

This party was so relaxed more like a bunch of old friends getting together I can honestly recommend these to anyone slightly scared of attending a party,

Thank you girls for a great night my only regret was having to leave early next time I'll stay for the entire event.

Love to you both

Terry
