A very attractive blonde woman with beautiful eyes. Curves in all the right places.

The Story:

I haven't been doing this for very long - and I can safely say that this woman epitomises why I started doing this. After a short "get to know you" chat - she's self-conscious about her English, but that's not a problem - we adjourned upstairs, I got to know her body, and she got to know mine - I've never had my cock sucked like that before. I kissed her lips, her large breasts and beautiful ass, then took her several positions before exploding inside. A wonderful experience.

The appointment was made with only 1 hours notice and she really blew me away. This woman has a lot more to offer - Debbie, I'm definitely cumming again - and hopefully you will too!
