Early 20s, short dark hair. Current web photos show it blond but I understand new photos will shortly replace them. A number of tattoos which don't show up on the web site photos.

The Story:

Kitty for me was a glorious surprise. If you want to spend some time with someone who is fantastically sexy (the blurry web shots really don't do her justice) but is also intelligent and engaging, Kitty, who is currently studying for a Masters degree, is definitely for you. We met in the bar of my hotel and talked for what I suddenly realised was over an hour before repairing to my room. At which point she revealed an altogether different and physical side to her. I'm not going to go into all the details here, but let's just say that I have never encountered such an uninhibitedly passionate kisser.

Thank you Kitty for a fantastically memorable encounter. With a 2 hour minimum charge this is definitely one for special occasions, but for me the occasion really did turn out to be special.
