### The Premises:

The place is a two-story house with a living room upstairs and a kitchen, toilet and bedroom downstairs. The party was mostly in the BR.

### The Lady:

There were in fact four ladies. By far the prettiest one was Anna, Anglo/Egyptian, very exotic looking but light skinned, a white Cleopatra.

### The Story:

Anna who works in a ladies spa during the day does these parties occasionally. The girl is a nympho, she loves sex and the attention by men. There must have been 10 to 12 guys and 4 girls. At times there must have been 4 to 5 guys with her, one fucking her she giving oral to another and the other two men playing with her tits and pussy, etc. Needless to say, I spent most of the time with her though I also sampled the other ladies.

My first experience there the previous Friday wasn't that good (my nervousness), but had a great time on the second visit.
