The Lady:

The photos on the I.K. website in no way give an adequate impression. Physically, Chloe is simply stunning from head to toe.

The Story:

This lady is absolutely amazing. Not only is she chatty, charming, witty and attentive, she has a body that to die for and is a very special mix of the utmost sexual and sensual rolled into one.

What happened in the bedroom will remain between Chloe and me - there are enough reports on the I.K. site to give you an idea. One thing I would mention is that rather than having any pre-conceived ideas of who should have done what to whom by when, part of the thrill of being in the company of a beautiful woman should be to go with the flow and to explore and touch in return and make sure that the lady enjoys it too - I think (I hope) that Chloe did. Treat her with respect guys.

Chloe, I look forward to again being the tapped, fat, ginger kid in your candy store in the very near future. In the words of Mr R Williams 'I love you baby!'
